

SAVE-THE-DATE: January 30, 2008

What: Please join the Prince George's Community Foundation and Washington Grantmakers as we officially launch our newest program, the Partnership for Prince George's County. The Partnership is a unique collaboration of regional foundations, nonprofit organizations, government and others working together to increase the capacity and visibility of our county's nonprofit sector.

When: Wednesday, January 30, 2008
8:30 – 10:30 a.m.

Where: Treetops Atrium
8181 Professional Place
Landover, MD 20785

Please confirm your attendance by emailing Britton Walker at britton@onealconsult.com by January 28.

The mission of the Partnership is to connect the people who live, work, learn, and play in Prince George's County to one another and the region. We do this by:

- Serving as a catalyst for building alliances
- Strengthening the ability of nonprofits to achieve greater performance and impact both individually and collectively in Prince George's County
- Supporting and engaging in advocacy
- Bringing new resources to the county and promoting the effective use of existing resources.
