**General Operating Support**

**2019 Membership Renewal**

Annual membership contributions are calculated based on your organization's level of philanthropic giving in the Greater Washington region. Please select your regional giving total for 2018 from the dropdown menu in the "amount" column and the "total" will auto-populate.

**2019 Leadership Fund**

Membership revenue supports approximately half of WRAG's annual budget. Investments in the Leadership Fund provide the flexible general operating support WRAG needs to remain nimble and innovative as we monitor trends, respond to community needs, and encourage the philanthropic community to think bigger, bolder, and differently. In 2019, the Leadership Fund will support activities such as on-boarding WRAG's new CEO, undertaking a robust strategic planning process, and staff professional development.

- Government office focused on grants and/or public partnerships.

## Member Expectations

The power of the WRAG community – and the primary benefit of membership – is the strength of our network. As such, we encourage all WRAG members – new and long-standing – to participate to the fullest extent that they are able. When joining or renewing, **we ask members to commit to:**

### **Attend at least one program per quarter.**

With more than 50 learning and networking events each year, there are plenty of options! Check out [www.washingtongrantmakers.org/events](http://www.washingtongrantmakers.org/events).

### **Subscribe to *The Daily WRAG*.**

With more than 2,000 subscribers, the *Daily* is our most popular service and a great way to stay up-to-date on the region's nonprofit, philanthropy, and issue-related news! Check out [www.dailywrag.com](http://www.dailywrag.com) to sign up.

### **Meet one-on-one with a WRAG staff member.**

We want to get to know you! The more we know about you, your organization, your priorities and interests, the better able we are to connect you with your colleagues, share resources, and support your work.

These new member requirements are not intended to be burdensome. Rather, we hope that by actively engaging in the WRAG network, members will have a robust and valuable experience that will strengthen your grantmaking, expand your network, and support your philanthropic mission.

## Non-Solicitation Policy

The meetings and activities of the Washington Regional Association of Grantmakers are not to be used to solicit grants, to solicit for professional services, or to promote any products, services, or events. This ensures a comfortable, respectful atmosphere in which professional relationships can be maintained. Members or guests who violate this non-solicitation policy will be excluded from future WRAG events and may not qualify for membership renewal.
